August 15th 2019

The Homer Kachemak Bay Rotary Club in partnership with South Peninsula Hospital invites you to apply for booth space at the 36th annual Rotary Health Fair. Our theme is "It's your life, take a day to be well!"

PLEASE NOTE EMAIL rotaryhealthfair@gmail.com

The date is November 2nd from 7:30am to 1 p.m. at the Homer High School..

The deadline for receiving completed 2019 Rotary Health Fair Exhibitor application forms is SEPTEMBER 13, 2018. The sooner we know how many Exhibitors there will be, the sooner we can begin to finalize all the details. We would appreciate your prompt response. Please fill it out today.

REMINDER Late applications will not be included in Rotary Health Fair marketing due to media deadlines and will be placed on a waiting list. See item 9 & 10 under Standards.

If you know of any Exhibitors who would make good additions to the Health Fair, please let us know about them or tell them to contact us. If you are not returning this year, please let me know ASAP.

REMINDER Please take a critical look at your booth displays. Your effort to display a "new or improved" appearance and updated information is critical to the growth of the Rotary Health Fair. Updated information and well planned booths demonstrate your respect for the public's time and your professional commitment to the value of your message. Your booth has one chance to make a first impression to over 1000 people.

REMINDER We receive the nonprofit rate for renting the school because we are not selling items or services - we are Exhibitors. We are here to provide Health and Wellness Information to the public. See item 4 under Standards.

Please keep the Rotary Health Fair in mind as you plan your business advertising. "See you at the Rotary Health Fair" is a great line for your advertising.

REMINDER Door prizes are a very popular part of the Health Fair. Each Exhibitor is asked to provide at least one door prize to be given away at your booth.

REMINDER If you intend to provide refreshments at your booth keep in mind the nutritional value of the snack and please consider avoiding junk food, as our intent is to promote a healthy lifestyle

We thank you for your commitment to providing this valuable service for our friends and neighbors. If you have any questions, comments or suggestions we would love to hear from you!
