

Thank you for making your COVID-19 vaccination **2nd dose appointment**.

If you provided an email address, you will receive an appointment reminder email **the day before your appointment** but it is your responsibility to adhere to your appointment date and time.

**Please remember to bring the vaccine card given to you at your first dose appointment.**

Please read **ALL** of the following information carefully – it contains important details about your appointment.

**Your appointment location is: Christian Community Church, 3838 Bartlett Street in Homer.**

Please wear a mask or cloth face covering and maintain a 6 foot distance from others waiting for their appointments with you. Your vaccine will be administered in an open setting, with limited privacy available. Please wear a shirt with short or loose fitting sleeves for easy vaccine administration, and plan for at least a 30-minute visit to complete consent forms, administer dose and for observation. Observation is for 15 minutes after vaccination, or 30 minutes with a known history of severe allergic reaction (anaphylaxis).

**By booking this appointment to receive a COVID-19 vaccination, you agree:**

- To not travel outside of Alaska within 5 days of your appointment.
- To not come in for this appointment if you have close contact (shared living space or been within 6 feet for 15 or more minutes) with a someone with COVID-19 in the 10 days leading up to your appointment.
- To not come in for this appointment if you are experiencing any COVID-19 symptoms. **Symptoms may include:** *fever (measured or subjective), cough, shortness of breath, or difficulty breathing, decreased appetite, chills, diminished sense of taste or smell, diarrhea, fatigue, headache, muscle/joint aches, nausea, rash, rigors, runny nose, sore throat, or sputum production.*
- That you do not have a history of severe vaccine reactions, or allergies to any ingredient in this vaccine (ingredients listed [here](#))

**Other things to be aware of:**

- The CDC has strongly recommended that the COVID-19 vaccine not be given if you have also received any other vaccinations within 14 days.
- Side effects of the vaccine are flu-like symptoms, which often appear from two to five days post vaccine. **These are expected** and are signs of immune system response. If you have any symptoms of COVID-19 post vaccine, it is recommended to get tested immediately.
- Canceling or rescheduling this appointment could result in the inability for you to receive your second dose.

The Emergency Use Authorization (EUA) information sheet for the Moderna COVID-19 vaccine can be viewed [here](#) and will be made available at time of vaccination. All vaccine information is posted at the State DHSS vaccine information page at [covidvax.alaska.gov](https://www.covidvax.alaska.gov) .
