Application for Financial Assistance

The mission of South Peninsula Hospital is to provide you with quality medical care regardless of your ability to pay. We can appreciate the dramatic impact unexpected medical bills can have when insurance coverage is not available or is insufficient. We are not able to cover elective or cosmetic procedures with this program. Our application process for assistance requires you to provide a variety of supporting documents to be used in our determination process. Individuals qualifying for financial assistance must meet established criteria.

Please attach the following documents:

- Application (on back page)**
- A brief written explanation of your circumstances and financial statement.
- Tax Return for prior year, with copies of W2. If self-employed, please provide 2-years of tax returns and current year to date profit and loss statements.
- Detailed bank statements for the last 3 months for all accounts (Checking and Saving, self and spouse)
- Most recent pay stub (showing year to date earnings) for all household members

To get information about applying for Medicaid you can contact DPA at 907-283-2900 or the South Peninsula Hospital Financial Navigators 907-235-0994.

For all other patients, a Denial Letter from DPA will not initially be required, but it may be requested after review of the Financial Assistance Application. The patient would then be required to provide the denial before the Financial Assistance approval/denial can be determined.
